Exclusive Adult Jurisdiction

The 2018 Washington State Legislature directed WSIPP to assess the impact of changes to the Juvenile Justice Act, as outlined in E2SSB 6160. To the extent possible, the study should include impacts to community safety, racial disproportionality, recidivism, state expenditures, and youth rehabilitation.

A preliminary report is due to the legislature by December 1, 2023 with a final report due December 1, 2031.
